Re: Freedom of Information Act: Open Records Request

Dear Sir or Madam:

I would like to obtain any and all non-exempt information under the Freedom of Information Act regarding the Environmental Protection Agency's ("EPA") response to the chemical leak at E. I. du Pont de Nemours and Company's facility in La Porte, Texas on November 15, 2014. This request replies to any and all media within the EPA's jurisdiction. I will initially commit to a fee commitment of \$25 per media. If a higher commitment is warranted, please contact my office for authorization.

With this request I also want to formally withdrawal my office's FOIA request dated November 20, 2014.

If you need anything from me, please feel free to contact me.

Respectfully,

Cody Rees
